🔗 [LinkedIn Profile](#)

Jill Velez is member of the OPG team as a valuation analyst.

Jill Velez has an accounting background with over fifteen years of experience in accounting, human resources, and operations. She has a background in traditional accounting, financial reporting, budgeting, compliance, payroll processing, benefits administration, and employee relations. Jill has held senior level positions for a real estate development company, a cosmetics startup, an investment firm, and a media holding company. She particularly enjoys establishing the accounting infrastructure for startups and identifying and solving problems with business processes.

Noteworthy industry experience includes real estate, hotel establishments, specialty retail and commercial, startup companies and media.
